Text

**VORSCHAUVERSION!**

1. You've left your dreams — to the wind —  
 2. Left to the storms — will they stand —

heart that you gave was the ho  
 castles you built were

ade crumbled from —  
 you get so wer

When the fa-  
 sand — And

Suddenly your skies —  
 When it's a slow downward slide —

And when the rapids of the river — start to

you get frozen straight to the bone — ...

your home on that Rock in the River —

You don't have to make it out there — on your own.

You'll find your home — on that Rock in the River — ,

on that unshake — a — ble stone — , you'll find your home.
